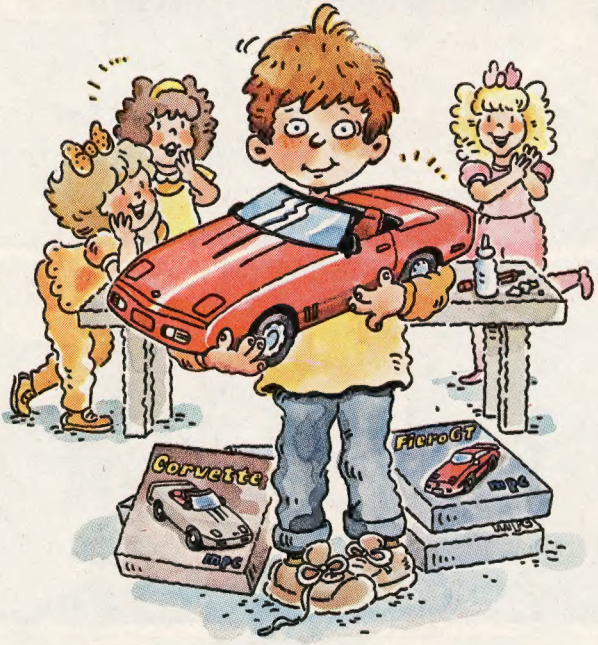
BODY BUILDER



Maybe it's a truck body. Maybe a racing car body. But whatever model you're building, you want it to look the best. That means putting in a ton of care and concentration. And paying particular attention to the details.

And when it comes to details, no one out-muscles MPC. Details are MPC's strength. You see, at MPC special effort is given to insure that every car or truck is 100% authentic.

Whether it's an old model or a new one. A Classic Muscle Car or any of the newest '87 American High Performance Cars, MPC's got a model kit you can wrestle with.

So if it's a great body you want to show off, get an MPC Model Kit.

Just like the real thing. Only smaller.

Dear STAR,

I just read comic book #15. I like Fozzie the best. But why can't Fozzie tell a good joke? Can you make Fozzie the main character just once? Also, can you make Fozzie tell just one good joke?

Good-bye! Wocka-wocka!

Lauren Kyle Horton
Centerville, OH

A good joke? Do you realize what kind of *effort* you're asking for? That's easier said than said — by Fozzie, at least!

Dear STAR,

My favorite is Piggy, because she always thinks she knows everything, but she never does.

Have you ever thought of having Piggy marry Kermit?

Jami Marshall
Brookline, MA

Never crossed our minds!

Dear STAR,

I like Fozzie because of the way he makes funny jokes. But sometimes I don't laugh. I do think he's funny, though. Here's a good one.

Knock, knock.
Who's there?
Hurry.
Hurry who?
Look out, it's a HurryCane!

Chaunce Jay Ryan Thorne
Ft. Washington, MD

Seems to us you got that joke out of a certain very funny comic book we both know . . . Like one with the initials "M.B."? Sound familiar? Hmmm!!!

Dear STAR,

My name is Mike. My favorite character is Rowlf. I have piano lessons, and that's why I like him so much. How does Rowlf know piano so well?

Michael Rosviek
Ackley, IA

Everyone knows playing the piano is a *RUFF* business!

Dear STAR,

I love MUPPET BABIES, but I have one question. What are Scooter and Skeeter? And Gonzo — is he an alien or what? On the cartoon, they say he is a weirdo. Is that what he is?

In ish #15 ("The Magic Book"), Fozzie told some awful jokes, especially the one about following directions. But I love him.

Go bye-bye.

Jacob Rodgers
Philadelphia, PA

P.S. I love the MUPPET BABIES!

Scooter is smart, and Skeeter is good at sports. Gonzo is . . . uh . . . umm, er . . . well, he *is* weird — but it sounds like you knew that already!

Dear STAR,

The first time I watched MUPPET BABIES on TV, I loved it. Then someone asked me if I wanted to order a comic book, so I ordered MUPPET BABIES. But what happens when the order ends? It only lasts a year! I know I can order it again, but my dad won't give me the money (and I don't have the money). What am I going to do without Animal?

Susan Moore
Piedmont, SC

Go bye-bye?

But, seriously, is there any way you can earn the money yourself? If you're *very* friendly and helpful, and do extra chores around the house, perhaps your dad will decide to help *you* out in return! (We wish we could send free subscriptions to all our friends, but we'd end up with no money to produce the magazine — sorry!)

Dear STAR,

I just finished reading MUPPET BABIES #14 ("Upside-Down Land"). I thought it was a great idea to go to upside down world to get Nanny upside-down pineapples. I like Fozzie and Kermit. I have all the issues of MUPPET BABIES.

But why does Piggy seem so bossy?

Ruan Signore
Osterville, MA

Maybe because she *is* bossy?

Dear STAR,

I have a question. Why don't you show Nanny's head? I would like to know 'cause I am very curious. I like Skeeter, Kermit, Gonzo, Piggy and Fozzie. And I *love* to read Muppet Mail!

Katie Boyle
Wooster, OH

P.S. I love MUPPET BABIES cartoons. My sister and I watch them every Saturday. If we miss them, we throw a fit!

Really? How far do you throw it? Hope no one else in your family trips over it!

Dear Earthlings,

Your comic is great, wonderful. I particularly like the letters you get. Like in issue #16 ("We Spy"), two letters in particular. I liked the answer to Sandy Angotti, the part about miscellaneous life forms. Neat-o! Also, Jay Smith's letter about weirdos. I am one! By the way, it is cool to be weird. I'll write in a couple of Blorts.

(I used my pocket Earth language book to write this.)

Planet Earth)

ZZmkaOppq? Tr !weezewiop ye OQdgo *eex r auybe 1At? Re rE 9&'w! Hhe# !ilbv!!

. . . at least, that's our opinion! (Oops! Sorry about that — where *did* that pocket translator go, anyway?)

Dear STAR,

I enjoy reading MUPPET BABIES a lot. My favorites are Kermit and Gonzo. I have a question to ask, though — do you think you could make a special edition about all the babies and their background? I'd like to know about them.

I don't have issues #1 and #2. Is there a way I can get them, besides in a comic store?

Corey Hancock
Salem, OR

Try ordering through one of the mail order companies that advertise in most Marvel comics. Or, you might want to look for STAR COMICS MAGAZINE — it's a greatest hits edition of all the past STAR Comics. Unfortunately, we've already reprinted MUPPET BABIES #1 and #2 (in issues #1 and #4 of the digest), but many of the other early STAR comics will appear before long. So watch for it — and enjoy!

Dear STAR,

I like Animal the best. Why? Because he goes wild! Please tell him to send a picture of himself. How old is he? I'm 7. Bye!

(No name)

P.S. Keep up the good work!
P.S.S. And *down*, too! Wocka-wocka!

Ugh! No! Not *that* old joke again!

Dear STAR,

I love your comics. They are the best ones I have!

I think Gonzo is the best. I have a Gonzo doll. I'm going to name a lamb Gonzo.

Joseph Khalil
Oberlin, OH

Are ewe really?

Dear STAR,

Today I got MUPPET BABIES #16. I liked both stories, first when Kermit was agent "double-O-F" and Piggy was "double-O-P," and then when Gonzo took them to the mess-making studio.

My favorite is Gonzo, because he's weird!

Nicky McDonald
Winston, OR

Good reasoning, Nicky! Weird — but good!

Dear MUPPET BABIES,

I liked "The Spy in Striped Socks" (#16). I liked that one a lot. I liked the gadgets Kermit had on, especially the shoe one. And Fozzie finally made a good joke!

My favorite Muppet Babies are Gonzo, Animal, and Fozzie.

Matthew Williams
Kpt., TN

Hey, Lauren! Chaunce, Jacob! Everyone listen up! A good joke! Fozzie finally make a *good* joke!! Yahooo!!! (We're glad you caught it, Matthew — because we have reason to believe it won't happen again soon!!)

If Party Popple™ picked a peck of Popple pals, who'd be the new perky, playful pals Party Popple picked?

Meet all the new pals in the world of Popples. They're cute, happy, and more fun than a tongue twister. And, they pop in and out.

Rock Stars. He's Punkster and she's Punkity Popple. And together they're rock 'n roll fun.

Baby Popples. Like all little ones, they can make mischief, but they're cute as can be.

Puffling Popples.™ Pop these little fuzzies out of their pouch and find a riddle to keep you guessing—and laughing.

Popples Sport Balls. Big Kick Popple,™ the soccer superstar, is just one of the three new Popples boys will love.
